

MRS TIGGY-WINKLE

 **NAME:**

Mrs. Tiggy-Winkle

 **FAVOURITE FOOD:**

Anything that goes with a nice pot of tea.

 **WHERE SHE LIVES:**

Her house which is also the local laundry is built into the side of a hill and perfect for hibernating in the winter. Mrs. Tiggy-Winkle enjoys chitchatting when neighbours come by to drop off or pick up their laundry.

 **PET PEEVES:**

Mrs. Tiggy-Winkle is very patient and kind, but she doesn't like it when Squirrel Nutkin gets dirty paw prints on her lovely clean laundry! Or worse when nasty rats cause trouble. You don't want to see the sharp end of her spines!

 **SKILL:**

Pinnies and petticoats, she can wash your clothes so they look as good as new.
